

3D Decals for P.O.P. Display

Minimum Quantity **50**

Our exclusive 3D Decals can be used to add detail to stock displays or even applied directly on the wall and used in place of molded plastic letters for a unique look and feel.

#150 1/16" thick 3-dimensional cut-out-background decals.

Patented (#5,622,587)

Material: Dozens of premium vinyl colors. Shiny or Brushed Gold, Chrome or Copper available (20% up-charge). **All 3-D Decals come with Clear Pre-mask.**

Printing Colors: See page 32 for Premium printing colors.

Color Match: Add \$40.00/C for PMS Match and \$80.00/C for matching a supplied sample. Exact Matches NOT guaranteed.

Artwork: Prices are based on "customer supplied" electronic vector line art. Copy must be at least 1/2" tall and die-cuttible with a 1/4" stroke thickness. If art supplied is NOT usable for the process, additional art charges will be incurred. See inside back cover for General Art Instructions and art charge information.

Special Instructions: Please indicate on your PO or order form, any special instructions that apply. Shelf life for vinyl decals NOT installed is (1) year.
